						S	L	R
Spread of Coronavirus amongst members of the public, visitors to the Golf Club Contact with Coronavirus sufferers Lack of personal hygiene Lack of cleaning arrangements Lack of Awareness of virus	Flu-like Symptoms Cough High Temperature Shortness of Breath Fever Tiredness Aches & Pains Sore Throat Runny Nose Diarrhoea Loss of taste and smell	<p><i>Coronavirus otherwise known as COVID-19 is a virus transmitted human to human and can affect your lungs and airway. <u>This virus is highly contagious please take note of the details below.</u></i></p> <ul style="list-style-type: none"> No member of the public must attend the Golf Club if they are suffering with any of the key COVID symptoms or if anyone in their household is isolating or self-isolating due to having symptoms of COVID-19. Members of the public are encouraged to maintain high levels of hygiene whilst on the premises – access to hand washing facilities will be made available, however we do encourage members to provide their own hand sanitiser during play. Social distancing will be encouraged and maintained throughout the Golf Course with signage positioned at regular intervals reminding the public of the guidelines. During the COVID pandemic, Golf Buggies will only be permitted for hire to Members of the Golf Club who have specific requirements for hire i.e. require support with access around the course and mobility issues. Only those Buggies which are pre-booked for members will be made available on the day of play, all spare buggies will be held securely in the Implement Shed. Under no circumstances will multiple households be permitted to travel within a Golf Buggy whilst at Beedles Lake. Only single households may ride together. 			Management & Staff	5	2	10

- All Buggies will be cleaned and sanitised using anti-bacterial wipes and sprays following use in preparation for the following day of hire.
- All visitors will be referred to the detail within the Risk assessment for Use of Golf Course during the Pandemic (**COVID-19 BLGC & Pro Shop v3 April 2021**)
- Rules regarding the use of Golf Buggies whilst on the Golf Course for Health & Safety and COVID-19, will be displayed on the Golf Club website and in member groups.
- All concerns regarding the use of Golf Buggies will be raised with the General Manager.

Information:

Further information regarding the Coronavirus can be found at <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

Further information will be provided via the Jelson Operating Guidelines – COVID-19 version 3 (21.01.2021).

Refer to the NHS Hand-Washing Guide for further information.

The use of respiratory protective equipment or face coverings is not mandatory in this instance where symptoms are not evident and social distancing can be maintained, however if the general public wish to wear their own face coverings they can do so.
